SUBJECT: DD Form 2345 Approval

Dear Madam/Sir:

Our approval of your application for certification under the U.S./Canada Joint Certification Program is enclosed. The certification number assigned to your facility is shown in Item 7.b. of the returned DD Form 2345, and is valid for a renewable five year period. A copy of the form and a statement of intended data use should accompany all future requests for unclassified militarily critical technical data initiated by your facility.

Certified contractors should submit a revised DD Form 2345 whenever information previously furnished becomes outdated - if, for example, name of the company, new Data Custodian is designated by the certified contractor, or if there is a change of address information. The DD Form 2345 is available on our website as an fillable .pdf format www.dlis.dla.mil/jcp/ click on DOCUMENTS.

A copy of the pamphlet "Control of Unclassified Technical Data with Military or Space Application" is available for downloading on the U.S./Canada Joint Certification website www.dlis.dla.mil/jcp/ click on DOCUMENTS. The purpose of this pamphlet is to explain the scope of the certification program. We urge you to review the guidelines and procedures outlined in the pamphlet.
